

Cold Display Ice Pack 1ASBW1205

Freshness guaranteed! The Cold Display Ice Pack perfectly slots into the Medium Domino stand. Paired with our NSF coated aluminum dish, it's a buffet must-have, ensuring salads remain cool and fresh.

The Cold Display Ice Pack is designed to drop into the medium Domino stand. When paired with our NSF coated aluminum dish (1ASBW19405) it will keep your cold food chilled for three to four hours in a controlled environment. Perfect for green salads, fruit salads or any other cold self service buffet.
